

NINA MASON PULLIAM CHARITABLE TRUST

**A Trusted
Legacy**

**Nina Mason Pulliam
Charitable Trust**

“With grants to Damar totaling \$825,000, we were fortunate to be one of the early grant recipients of the Nina Mason Pulliam Charitable Trust,” shared Damar President and CEO Greg Johnson.

Grants provided by the Nina Mason Pulliam Charitable Trust have impacted Damar in every period of its growth and need since 1999.

Trust dollars have helped Damar build a fitness center and indoor pool, pilot the Real World program, a community-based transitional model, and expand residential capacity through the *Exceeding Expectations* capital campaign.

“By supporting those projects that have the highest impact on the quality of life for our clients, the Nina Mason Pulliam Charitable Trust helped create *The Damar Difference*,” offered Johnson. “The shared philosophy among Damar staff and volunteers conveys that we never give up on any child and that we will go above and beyond to ensure that each one exceeds all expectations.”
