

## We call it the Hangover Rally

**The Mid-West

“We call it the Hangover Rally and we want it to benefit the kids at Damar.”

Those words marked the beginning of a marriage between quite the odd couple. In fact, an unbreakable bond was formed that day between Damar Services and the Mid-West Motorcycle Club, Indiana’s oldest motorcycle club, formed in 1923.

‘The New Years Day Rally’ as it’s known at Damar — held annually on January 1 — has raised nearly \$60,000 since 2000 for the kids at Damar, quickly placing Mid-West as the third largest group contributor to Damar.

“The real enjoyment for us comes not only in raising funds for the kids at Damar, but in seeing how easy it is to make a huge difference in the life of someone else,” said Club President Randy Morrison. “It’s easy to get caught up in life and miss out on what’s really important.”
